# NEVA™

It's easy to envision yourself behind this desk.  
**AND EVEN EASIER TO MAKE IT HAPPEN.**

Neva's look will catch your eye. But it's the line's practical side that will draw you in. Each piece has been built around a completely modular platform, so it's simple to design a system — left or right orientation, drawer types, and desk size — around the way you work. It also means that moving the pieces into your office can be accomplished with minimal effort. And once it's built, precision tolerances and durable steel hardware ensure decades of reliable performance.

## Turn any workspace into the **CORNER OFFICE.**

The Neva™ Executive line of desks, cabinets, and conference tables has the power to transform your workspace. Each piece is encased in cherry that's been finished in a 19-step process, ensuring a luster that will leave a lasting impression. Whether you're a CEO or just want your office to create that effect, nothing matches the durability, elegance, and value of Neva.

**Flat Front Command Center**  
F3672 U-Kit shown with optional H72 Hutch

Surround yourself with a winning environment. Our U-Kit is designed to put you, and keep you in complete control.

**Laptop Pedestal**  
P35LT

Designed specifically for use with the F3672, this pedestal creates a multi-level work surface for your laptop. The optional articulating arm and laptop platform helps keep your desktop free from clutter.

**Lateral File**  
F36LF

The drawers on this lateral file open and close smoothly, allowing you to access important documents with minimal effort.

**The L Solution**

**F3066 L-Kit**

This flat front workstation provides ample workspace — perfect for corner or open workstations, as well as generous room for your important files.

**Bow Front Desk**

**B3672DP Desk**

**Flat Front Credenza**

**F2472DP Credenza**

Both the desk and the credenza embody the Neva Collection, offering the perfect combination of form and function.

**Flat Front Desk**

**F3672DP Desk**

**Flat Front Credenza**

**F2472DP Credenza**

**Hutch**

**H72 Hutch**

A comprehensive workspace solution that won't compromise your freedom of movement.

**Flat Front Desk**

**F3066DP**

Built on a solid, two-pedestal base, this desk confidently stands alone ready for any task. Neva desks also serve as the foundation for a variety of Command Center options.

**Bow Front Command Center**

**B3672 U-Kit shown with optional H72 Hutch**

Like the Flat Front Command Center, every nuance is a testament to our attention to detail.

# Bring more to the **TABLE**

Our conference tables project an aura that can make the difference between calling a meeting and convening a summit. Neva tables have a beautiful radiant finish and feature open bases to keep power cords and communication cables out of the way. The result is the perfect fusion of value, functionality, and aesthetics.

**12' Conference Table**  
T48144BS4

A three-base configuration with a two-piece table top. Let the meeting begin. All Neva tables feature open bases for power and communication cables.

**10' Conference Table**  
T48120BS4

A three-base configuration with a two-piece table top. Shown in Espresso Cherry (special order).

**8' Conference Table**  
T4896BS3

A two-base configuration with a one-piece table top.

**45" Satellite Table**  
T45SQ2

The featured arc shape is perfect for intimate or informal meetings.

## NEVA™ DETAILS

Details really do make the difference. Every aspect of the Neva collection — from carefully sculpted brushed steel handles to lustrous finishes to precision tolerance hardware — has been thoughtfully designed to maximize both form and function.

### Colors

Whether you choose Henna Cherry or Espresso Cherry (available by special order), our 19-step finishing process ensures that each Neva piece will deliver superior looks and performance for years to come.

### Modular Design

A modular design and rock solid hardware with precision tolerances make each Neva piece easy to move and assemble.

### Sculpted Hardware

Brushed steel has been sculpted into ergonomic shapes that almost feel as though they respond to the touch.

### Edge Detail

Each Neva piece is crafted from end to end. The edges have a detailed finish that creates a high-end look and feel.

### Open Bases

The Neva line is designed with function in mind. All tables have open bases, allowing for concealed power and communication cables.

### Power Center

Designed to work in concert with our tables, the power center offers 4 electrical outlets, one RJ45 data port, and one RJ11 phone port.

### Core Removal Lock

Our lock system feature removable cores, allowing you to easily change locks for security. Breakaway keys help prevent mishaps.

### Double Row Filing

Our thoughtfully designed desk drawers, with full extension slides, maximize every square inch of filing space.

### Grommet

Brushed steel grommets are carefully sculpted for their beauty, durability, and functionality.

## SPECIAL ORDER FACTORY DIRECT

We know everyone works a little differently and everyone has a different idea of what constitutes the perfect office solution. If you have a particular need for office or hospitality furniture, please call us. We also offer customized solutions for larger orders.
