STORAGE SOLUTIONS.

The Mesa Storage collection offers intelligent, stylish storage solutions. All pedestals come standard with core-removable locks and full extension ball bearing drawer slides for precision movement. Whether you choose a piece that coordinates with the Mesa Motio Collection or one that works with other popular office furniture lines, Mesa quality and craftsmanship provide value and performance.

MOTIO STORAGE SERIES

Inspired by the Latin word for movement, our Motio pedestal increases your options in virtually any space by uniting ergonomic comfort and mobile functionality. Under Desk pedestals are a perfect match for other popular office furniture lines – the ultimate in compatibility and value.

MOTIO PEDESTAL

The Motio Pedestal easily integrates into the rest of the Mesa Motio Collection. Designed to fit under any Motio Workstation, it provides secure storage, while mobile casters help create infinite possibilities. Color: Silver.

UNDER DESK PEDESTAL

F-FRONT (LEFT) J-FRONT (CENTER) B-FRONT (RIGHT)

Designed to work with today's most popular office furniture lines such as Herman Miller®, Steelcase® and Haworth®, not to mention the demands of today's dynamic workplace. All pieces fit under workstations, providing the ultimate in compatibility and value. Available in box-box-file or file-file drawer configurations. Colors: **F** Smoke (shown), **J** Tan Value1 (shown), Gray Value1, **B** Light Tone, Dark Tone (shown).
